

cardboard tube BIRDS!

You will need:

- cardboard tubes
- pipe cleaners
- colored paper
- feathers
- markers
- glue or glue stick
- scissors
- hole punch

- 1 Cover a cardboard tube with paper. Use one color or many!
- 2 Add details with markers, cut paper, and feathers. (eyes, a beak, feathers, etc)
- 3 Punch two holes opposite each other at the bottom of the tube.
- 4 Slide a pipe cleaner through the holes.
- 5 Twist the ends together around your arm and take your bird for a walk!
