

Teen Led Classes and Workshops

Thank you for your interest in presenting a teen led program at the Cary Memorial Library! We review applications quarterly from teens interested in teaching a class or a workshop. Applications will be evaluated within the two weeks following the quarterly deadline listed below. The staff may require additional information from an applicant before making a final decision on an application, and if requested, applicants will be given two weeks to provide it. Please be aware that the library is only able to approve a limited number of teen led classes and workshops per quarter. The decision of the staff regarding the approval or denial of all applications is final.

Applications received by:

October 15th will be considered for Winter Programming (December, January, February)
January 15th will be considered for Spring Programming (March, April, May)
April 15th will be considered for Summer Programming (June, July, August)

Successful applicants will be provided with:

- Use of the library's online event registration system.
