

- 1 Cut a pumpkin shape from stiff paper or cardboard. Cut out 'windows' for the sun to shine through.
- 2 Color or paint your pumpkin.
- 3 Cut a piece of contact paper large enough to cover the all the 'windows.'
- 4 Cover the front of your pumpkin with contact paper. Cut off any extra.
- 5 Flip your pumpkin over (sticky side up) and fill the 'windows' with pieces of tissue paper.
- 6 Punch a hole near the top of your pumpkin and tie on a string or ribbon. Hang it up and enjoy!

**You will need:**

- stiff paper or cardboard
- tissue paper, various colors
- clear contact paper
- scissors
- markers, paint, etc
- string, yarn, or ribbon

# PUMPKIN suncatchers!
