

I am going to the Bring-A-Bear Picnic!  
A Social Story

I am going to the Bring-A-Bear Picnic hosted by Cary Library! If the weather is nice, the picnic will be outdoors at Tower Park, but if it is raining or it is too hot, the picnic will be indoors at the Library.

There will be many other kids and grownups at the event. My grownup and I will bring our own blanket to sit on, or we can just sit on the grass. We can sit with the group or we can sit by ourselves.

Ita will read us stories, and we will sing songs and dance with our teddy bears. I can bring my teddy bear, or another special friend I want to bring to the picnic. If I forget a friend, the Library will have a few extras that I can borrow.

If I don't want to sing and dance, I can just watch.

I can bring a drink and a snack to eat during the picnic. I know that I need to clean up after myself when I'm done.

I do not have to sit still, I can be up and moving around as long as I am not bothering others. I know that I need to respect Ita's personal space and her things while she is reading and not touch things unless she says it's ok.

When the picnic is done, my grownup and I will make sure that we have picked up everything that we brought with us and thrown away any garbage from our snacks. If I borrowed a friend from the Library, I will return it.

The Bring-A-Bear Picnic is lots of fun!
