Cover a cardboard tube with paper. Use one color or many!

Add details with markers, cut paper, and feathers. (eyes, a beak, feathers, etc)

Punch two holes opposite each other at the bottom of the tube.

Slide a pipe cleaner through the holes.

Twist the ends together around your arm and take your bird for a walk!

You will need:

- cardboard tubes
- pipe cleaners
- colored paper
- feathers
- markers
- glue or glue stick
- scissors
- hole punch
