let’s build

SNOWFOLK!

1. Roll your Model Magic into balls. Stack the balls to build a snow person.

2. Decorate! Add arms, eyes, buttons, maybe a hat? Whatever you want your snow person to have!

3. Optional: Add color with markers.

4. Or do it completely differently - It’s up to you!

5. Let your snow person dry overnight (or according to the instructions for your modeling clay) and enjoy!

You will need:

- Crayola Model Magic® or modeling clay
- beans
- sticks and/or toothpicks
- beads & buttons
- scraps of fabric & yarn
- markers (optional)
